THE CADET STAFF
PRESENTS THE

CONNALLY HIGH SCHOOL
WACO, TEXAS

Within the pages of this book are the hopes, dreams, and ideals of the Class of 1964. We have tried to give you an insight into the real character of the school and people who make up this yearbook.

Getting this far has not been a one-man job but has been achieved with the help of our principals, teachers, and classmates. We could not have made it without them, and we have appreciated their help more than words can express. As we go into a competitive world, we shall realize this fact more and more. In every position imaginable, you must come in contact with people, and there is not a better place than school to learn how to get along with people.

Today, more than ever, business demands a high school education in future employees, but also a college education. That is why it is so necessary for us to seek higher education and thereby be better equipped to enter the business world.

To the future graduates of Connally High School, we leave this thought, "Education is your key to the future." It was with this thought in mind that we prepared this yearbook. Now we present to you the '64 CADET; use it as your inspiration and key to the future.

THE ANNUAL STAFF

The memories of school days will always be gay,
So raise high the colors, the blue and the gray,
Our dear Alma Mater, our own Connally School,
May she ever more flourish and ever us rule.

DEDICATION

To our helpful and understanding teacher, who has rendered every service possible to uphold the spirit of Connally High School; to one who has worked without ceasing, for our educational improvement; to one who encouraged and guided us in all our undertakings; who has taught us willingly, faithfully, and with fullest capacity, we, the CADET Staff of 1964, proudly dedicate this edition of "THE CADET" to our very own--

MOUNT RUSHMORE NATIONAL MEMORIAL

GIFFED LEADERSHIP HAS CONTRIBUTED UNMEASURABLY TO THE DISTINCTIVE INSTITUTIONS AND IDEALS OF THE UNITED STATES. WASHINGTON, JEFFERSON, THEODORE ROOSEVELT AND LINCOLN ARE AMONG THE GREATEST AMERICANS WHOSE VISION AND COURAGE HELPED SHAPE OUR DEMOCRATIC TRADITIONS. IN THEIR HONOR, THEIR FIGURES HAVE BEEN CARVED IN ABLESS GRANITE.

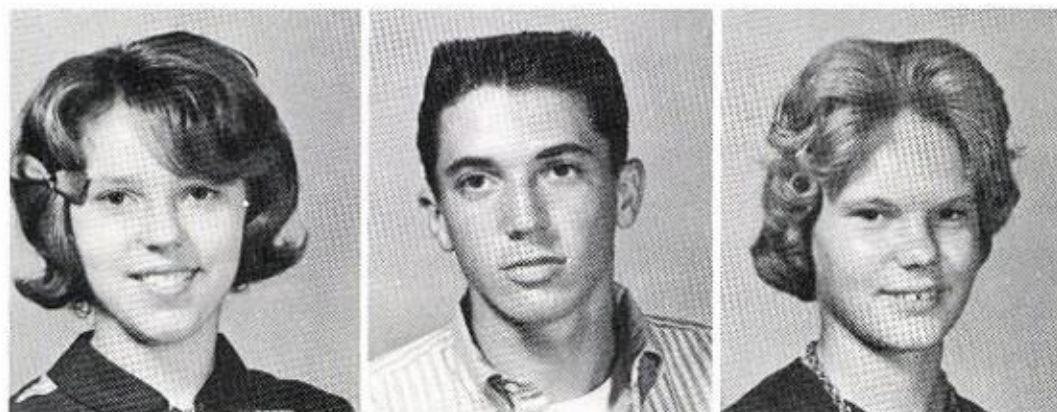

SCULPTURE OF GRANITE PROPORTIONS IN THE BLACK HILLS WAS CONCEIVED BY THE LATE GRACE EDWARDS, STATE HISTORIAN OF SOUTH DAKOTA. THESE COLossal FIGURES WERE BORN IN 1907 BY SCULPTOR GUTTEN BORGESON, WHO CONTINUED THE WORK UNTIL 1941, WHEN DEATH STOPPED HIS HAND.
